Leon Spiro, 7814 Oberlin Way, 85262, questioned if these cases were handled by the city's legal staff or by outside lawyers. He further stated he approves of the settlement as he lives near Happy Valley and Pima Roads and wondered why the dip in the road was not removed, and why there were no warning signs.

Mr. Woodford said the cases were handled by the law firm of Jones Skelton. Mayor Manross added that the city did not like to settle these cases but with the law the way it was, it was better financially to do so.

Vice Mayor Ecton expressed concerns about outside live entertainment only 500 feet from residences.

Mr. Ekblaw explained that a draft procedure for pulling conditional use permits is being compiled and would come to Council before the end of the year.

Brian Roehrich, applicant, explained he was trying to be a better neighbor by purchasing two back lots, which would give him 149 more parking spaces than needed. The live music would be on Scottsdale Road, and he understood the use permit would be in jeopardy if neighbors complained.

MOTION AND VOTE – ITEM 14

VICE MAYOR ECTON MOVED FOR APPROVAL OF 16-UP-2003. COUNCILMAN ORTEGA SECONDED THE MOTION, WHICH CARRIED 7-0.

Councilwoman Pilcher commented it was a pleasure to be part of this endeavor as it was such a medical coup for Scottsdale. She urged staff to put this in motion as soon as possible.

Vice Mayor Ecton said this was a great partnership and set an example of how we should move forward in the future.

One comment card was received from a citizen in favor of the item who didn't wish to speak.

Randy Grant provided a brief presentation based on evaluations of the past six months. Key components of the text amendment included increasing the height limitation from 18 feet to 26 feet in the S-R district, and requiring a $\frac{3}{4}$ vote of Council for an increase beyond 36 feet for the Downtown Specialty Districts.

After discussion regarding the reasoning behind limiting building height to 36 feet and the $\frac{3}{4}$ vote of Council, suggestions were made in order to clarify the language and remove redundancy.

Mr. Gawf was hesitant about trying to 'wordsmith' the language during the meeting and suggested the item be continued in order to work on the language.

Councilman Ortega suggested that if item C.4. on page 8 of the proposed text amendment was deleted, the intent would be the same. Mr. Gawf agreed that would eliminate the issue.

MOTION AND VOTE – ITEM 22

COUNCILMAN ORTEGA MOVED FOR APPROVAL OF THE TEXT AMENDMENT AND ADOPTION OF ORDINANCE 3543 WITH THE DELETION OF C.4. VICE MAYOR ECTON SECONDED THE MOTION, WHICH CARRIED 7-0.

Randy Grant reviewed the use permit criteria and potential impacts of the text amendment.

In response to Vice Mayor Ecton, Mr. Grant said 750 feet was used instead of 500 feet for buffering residential as that was the normal notification area. State statute required 300 feet and, as a courtesy, 750 feet was used in the city. Vice Mayor Ecton said some restrictions were set at 500 feet so it made sense to be 500 feet, and Mr. Grant confirmed that it could be done.

Councilman Ortega commented on the stiffer criteria than the state for a #6 license and a \$60,000 or \$70,000 difference in cost. Mr. Grant further clarified the distinction between the state requirement and city requirement, which was made in the downtown overlay.

Vice Mayor Ecton said this would create a level playing field for everyone in Scottsdale and they were not making any new rules.

MOTION AND VOTE – ITEM 23

VICE MAYOR ECTON MOVED FOR APPROVAL OF ORDINANCE 3542 AND TEXT AMENDMENT 3-TA-2003 WITH A CHANGE IN LANGUAGE TO BUFFER 500 FEET INSTEAD OF 750 FEET COUNCILWOMAN PILCHER SECONDED THE MOTION, WHICH CARRIED 7-0.

24. Galleria Parking Agreement

Request: Authorize the City Manager or designee to enter into an agreement with the owner of the Galleria to provide for paid valet parking, or for paid public, self-service parking at the Galleria, providing any such agreements must be terminable on 30 days notice from the City.

Staff contacts: Ed Gawf, 480-312-4510, egawf@scottsdaleaz.gov; Madeline Clemann, 480-312-2732, mclemann@scottsdaleaz.gov

Ed Gawf presented background information on the request, which would utilize six-hundred (600) night-time public parking spaces, and would allow for night management of security issues. Revenue from the agreement would go for maintenance and management, and any excess revenue would go toward improvements in the area. They were not trying to make money but to manage and control their asset.

Mayor Manross felt the plan was definitely worth trying.

MOTION AND VOTE – ITEM 24

COUNCILMAN SILVERMAN MOVED FOR AUTHORIZATION OF THE GALLERIA PARKING AGREEMENT. COUNCILMAN ORTEGA SECONDED THE MOTION, WHICH CARRIED 7-0.

Mr. Gawf reviewed policies and principles of downtown specialty districts and the implementation steps at three levels of action: downtown-wide, district level, and project

level. Efforts already approved and in progress included canal bank improvements, bridges and plaza, Main Street residential, waterfront project, James Hotel, Valley Ho renovation, and a new trolley fleet for downtown. Mr. Gawf also reviewed the Covered Walkway and Façade Improvement Program as well as the Specialty Retail District Incentive Program.

In reviewing the components of the Incentive Program at the District level, Mr. Gawf noted the program may not need to continue every year. Council would make that decision each year.

Responding to Councilman Silverman in regard to the purpose of the ten-year timeframe, Harold Stewart, who put the program together, said it was to accommodate changes property owners might want to make over time, but also to get a commitment from them that they were serious about the amount of money they were spending. Councilman Silverman said he was very impressed with the program.

Councilman Ortega recommended the forms be simple and short.
